CityWalk Owosso

Prayer Campaign

"May the God of hope fill you with all joy and peace in believing, so that by the power of the Holy Spirit you may abound in hope." Romans 15:13

CityWalk is a prayer campaign dedicated to bringing hope to a hopeless community. We believe in the restorative power of the Holy Spirit and trust in God's sovereign plan to reconcile humanity to Himself. As His people, we are called and equipped to be agents of His restorative justice here on Earth. Through this campaign, churches will unite in the powerful practice of intercession—praying boldly and intentionally for transformation in our communities. CityWalk provides a tangible and accessible way to engage in this mission, inviting believers to stand in faith and be a light in the darkness.

CityWalk will take place from May 1, 2025, to September 1, 2025. Throughout the summer, we invite individuals and church communities to engage in prayer wherever their feet take them in Owosso—whether in their neighborhoods, parks, businesses, or along the city streets. Our vision is to see the entire city covered in prayer, believing that God will move powerfully as we intercede for transformation and hope.
